CORE COMPETENCIES

Founded in 1997 as Danastors & Associates and rebranded as Elmura Linguistics Enterprise in 2007, we have spent over 27 years delivering precision language services to healthcare, legal, and government clients nationwide.

Our network of 2,500+ certified interpreters and translators — combined with in-house Adobe InDesign desktop publishing and Section 508 accessibility compliance expertise — makes Elmura a single-source solution for complex government language service requirements.
